### **TAKING IMAGES OF CHILDREN**

The South Gawler Football Club acknowledges that in South Australia under the Summary Offences Act 1953 a person must not engage in indecent filming. Images of children and adults should not be used inappropriately or illegally.

Our club requires that members, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used. Our club also requires the privacy of others to be respected and disallows the use of camera phones, videos and cameras inside changing areas, showers and toilets. Photographs taken with permission are not to be offered for sale or financial gain at our Club. The Club will engage the services of a Professional team photographer for this purpose.

If the club uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by pedophiles or other persons. We will only use appropriate images of a child, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc.

### **SOCIAL MEDIA – i.e. FACEBOOK**

Your actions on social media may have serious consequences. Negative comments and images, bullying, criticism and sexist, racist or derogatory remarks not only impact negatively on the people they are about, they reflect badly on yourself, your parents and the people you represent. If you are found to have acted improperly on social media, the club may ask to explain your actions and disciplinary action may be imposed such as suspension or cease of membership from the club. **This applies to Players and Parents.** The club Facebook page is primarily for information of events, functions etc. It is not a platform for negativity towards the club or its members. ## **Code of Conduct**

### **Players & Parents/Guardians Role.**

#### **Players:**

Play by the rules: they are there for the good of all.

Never argue with an official: if you disagree, discuss the matter with your coach or team manager after the game.

Control your temper: verbal abuse, racial or religious vilification of other players, and provoking an opponent or the other team are never appropriate.

Be a good sport: applaud all good plays by your team, opponent or the opposition team.

Treat all players fairly: treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.

Cooperate willingly: cooperate with your coach, teammates and opponents. Without them there would be no game.

Play for fun: Play for the 'fun of it' and not just to please parents and coaches.

### **Parents/Spectators: -**

Remember children play sport for their enjoyment, not yours.

Encourage children to participate, do not force participation upon them.

Focus on your children's efforts and self-esteem rather than whether they win or lose.

Encourage children to always participate according to the rules.

Never ridicule or yell at children for making a mistake or if their team loses a game.

Remember children learn best by example – applaud the efforts of all players in both teams.

Support all efforts to remove verbal and physical abuse from sporting activities.

Show appreciation of volunteer coaches, officials and administrators – without whom your child could not participate.

Respect umpires' decisions and teach children to do likewise.

Remember smoking and the consumption of alcohol is unacceptable at junior sport.

**Players in U/9, 11 & 13's must have a parent/guardian present at all times.**

### **PLAYER CONDUCT**

Players should always be aware that they are representing the **South Gawler Football Club** and should conduct themselves in the proper and correct manner, this is both on and off the field.

## **SGFC DISCIPLINARY POLICY AND PROCEDURES**

<https://www.southgawlerfc.com/policies>

The Disciplinary Policy & Procedures document is located on our website. This provides a uniform approach to the handling of any on or off field breaches or behaviour of any player, coach, club official, parent, supporter, and club member.

## **SPECTATORS INSIDE BOUNDARY FENCE PERIMETER**

We as a club have a duty of care to ensure that spectators do not sit on the inside of the boundary fence (and in particular the use of deck chairs) as this places a player's safety in question. Although Field Umpires have the right to 'stop/start' play when they observe this type of infringement, we need to ensure that spectators do not encroach over the fence line whilst a match is in progress.

## **GAME DAY – COACHING AREA**
